CERTIFIED PUBLIC ACCOUNTANTS and CONSULTANTS

Martin Hood LLC is one of the largest locally-owned public accounting firms in Central Illinois, offering a full range of accounting, tax, and consulting services. Excellent career and advancement potential, yet we offer flexible schedules and do not sacrifice quality of life for career growth as evidenced by a staff turnover rate that is a fraction of industry norms. Continued growth has created opportunities in our Tax Department at all levels, from Senior Associate to Senior Manager. We are looking for individuals with the following attributes:

Experience: 3 to 10+ years tax experience in public accounting with experience in business and individual tax preparation, review and planning

Skills: Depending on experience level, the following skills will be important:

- Communicate well with management and tax staff and be the main client contact
- Ability to review complex tax returns, including multi-state tax returns, as the final quality control check prior to issuance
- Ability to identify and research both risks and planning opportunities, develop client-specific and firm-wide solutions, and direct implementation
- Maintain specific industry expertise and ability to lead the firm's applicable industry team
- Responsibility for maintenance and improvement of firm procedures in specific industries
- Experience with estate, trusts and gift planning and compliance desired

Requirements:

- Bachelors in Accounting, Finance or related field
- Enrolled Agent or Licensed CPA (or in the process of obtained either certification) - preferred
- Proficient in computerized tax software preferred and Microsoft Office (Word, Excel, etc)
- Proficient in utilization of remote technologies (Zoom, Teams, etc)
